

HELLO:

Just a note to let you know that we are distributors for the Aqua-Craft and Wickens V-drive hulls. We have one of each in stock.

We still have our Keaton 17' Ski Boat and our Keaton V-Drive.

Now is the time of year for you to make your move on a complete boat or a do-it-yourself kit so you will have a new boat for next summer.

Please feel free to visit our shop at 230 West Cutting Boulevard, Richmond (at the rear of the property in the large A-frame building).

Remember, we also carry a complete line of Nicson Marine parts, Aero Marine parts, Maherajah Water Skis, boat trailers and marine engines.

Sincerely,

LLOYD & ARTS BOAT ENT.
